

YASS VALLEY

DAY SPA

Facial

All treatments involve a mandatory consultation prior to arrival for your appointment, which allows for any tailoring required to your treatment as well as any health or physical restrictions that may affect you receiving your treatment. The booking system will advise if the treatment is suitable to pregnant clients and those in a wheelchair.

How do I prepare for the treatment?

There is no preparation required for this treatment. Every facial will include a double cleanse, which will remove oil, dirt and makeup and prepare your skin for the treatment.

What do I need to do after my treatment?

- No active ingredients to be used for 24 hours
- SPF will be applied directly after your treatment & is always recommended as a non-negotiable skin care step
